- Non-tip, full-extension shelves for safe removal of hot dishes

DIMENSIONS

Height	690 mm
Width	760 mm
Depth	609 mm

FEATURES & BENEFITS

- Cook With Confidence**
Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favourite method, a hero ingredient, or a go-to cooking function or recipe.
- Generous Capacity**
With an incredible 115L total capacity in each oven, you can create many perfectly cooked dishes at once using multiple shelves.
- Multi-Function Flexibility**

The cooking functions have each been tailored, tested, tweaked and perfected to ensure that no matter what you're cooking, you've got the right heat to match. Purchase our Wireless Temperature Sensor accessory and precisely monitor cooking in real time (accessory sold separately).

Exceptional Performance
AeroTech circulates heat evenly for a consistent temperature throughout the cavity, helping you ensure perfect results even when cooking on multiple shelves.

Self-Cleaning
Our pyrolytic self-cleaning technology breaks down food residue at a very high temperature, leaving light ash easily removed with a damp cloth. The enamel-coated side racks don't need to be removed when using this function.

Design Freedom
Available in an elegant black or a stylish black with stainless steel, this oven is designed to fit seamlessly into your kitchen. Premium materials and detailing support a cohesive, considered kitchen design.
