DIMENSIONS

Height	820 - 880mm
Width	598mm
Depth	574mm

FEATURES & BENEFITS

Seamless design

Install this dishwasher flush under your benchtop with the option of a custom kickstrip, ensuring minimal gaps. Designed to match our companion products for a seamless finish in your kitchen.

A quality wash

This dishwasher offers seven wash programs including Auto, which automatically senses the optimal wash cycle for your dishes. The three stage filtration system delivers a superior clean, while the rinse aid indicator reminds you to top up for squeaky-clean dishes.

Quick, Sanitise and Extra Dry options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for those hard to dry plastic dishes.

Efficient drying

ThermoDry technology removes moisture from the final hot rinse using natural condensation. The Extra Dry option can be added to selected wash cycles to further boost the drying performance.

Flexible stacking

Designed to fit 15 place settings, the flexible, adjustable storage lets you stack large items with ease - featuring a full width cutlery tray, height adjustable middle rack, cup holders and wine glass supports.

Quiet & reliable

Running at a very low decibel rating, this dishwasher does its job

without making a fuss. The combination of clever technology and simple mechanics means greater reliability and superior wash performance.

Efficient Performance

This dishwasher delivers a powerful wash that ensures optimal results, with a 4 star energy rating and a 5.5 star water rating. Use the Delay Start option for up to 12 hours.

SPECIFICATIONS

Accessories

- Kickstrip

Capacity and loading

Accommodates round plates	300mm
