

# Integrated Double DishDrawer™ Dishwasher

Series 9 | Integrated

Panel Ready

Integrating into your kitchen design seamlessly, each drawer fits a half load that you can load and wash independently.\*

- Customise with your own front panel and handle to match your kitchen cabinetry
- Knock to pause function is perfect if you miss a dish
- Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry options

## DIMENSIONS

Height	820 - 880mm
Width	599mm
Depth	571mm

## FEATURES & BENEFITS

### Ease of use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.

### Independent Wash

With the ability to use both drawers independently and select different wash programs, the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and

pans.

### True Half Load

Each drawer holds a true half load for guilt-free small washes and fast turnaround of your dishes. Both drawers operate independently so different wash cycles can run simultaneously to accommodate a variety of loads.

### Quick, Sanitise and Extra Dry options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for plastic dishes.

### Knock to pause

These DishDrawer™ Dishwashers have a knock to pause function - a knock on the front panel will pause the dishwasher.

### Quiet Performer

Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

## SPECIFICATIONS

### Accessories

- Cutlery basket
- Kickstrip
- Knife clip and multipurpose
