

Induction Cooktop, 60cm, 3 Zones

Series 7 | Contemporary

Black Glass

Great for compact kitchens. Enjoy the instant-response cooktop, energy efficiency and cool-to-touch safety.

- Child and pet safe – cooktop remains cool to touch until a pot or pan is placed on the surface
- PowerBoost activates a very high heat, bringing liquid to boil in less than a minute
- Touch&Slide controls easily control each cook zone

DIMENSIONS

Height	49mm
Width	600mm
Depth	530mm

FEATURES & BENEFITS

Instant response

Go from a boil to a simmer in seconds. Fisher & Paykel TouchandSlide controls react immediately when you adjust the temperature so you don't waste time in the kitchen.

Safer Choice

Induction cooktops only start heating your pot or pan once you've placed it on the ceramic surface and stop as soon as you remove it – so you don't have to worry about curious little fingers or leaving an element on.

EASY CLEANING

The surface around your cookware stays cool when you cook, preventing baked-on spills and making cleaning up a breeze. The durable ceramic cooktop surface just needs a quick wipe after use to maintain its good looks.

Enhanced features

PowerBoost and GentleHeat deliver either very high or very low heat fast for specialised cooking tasks such as searing meat and melting chocolate. An integrated timer keeps you on track.

Superior efficiency

No heat is wasted during induction cooking because only the cookware is heated, not the cooktop surface. This makes induction cooking more energy-efficient than electric or gas cooktops.

Precise control

Fisher & Paykel induction cooktops offer extremely accurate, consistent temperature control from very high to very low heats, so you can sear, sauté and temper like a pro.

SPECIFICATIONS

Accessories (sold separately)

Joiner kit **Part 534731 (required to join)**

Cleaning

Flat easy clean glass surface •

Consumption

Energy rating	Grade 3
Heating efficiency	86%
Standby power	•

Controls

- Auto cut-off timer for each
- Minute timer
