

Single DishDrawer™

Dishwasher, Tall, Sanitise

Series 9 | Contemporary

Black Stainless Steel

- Created with extra height for large dishes and designed to be placed anywhere in your kitchen, for loading dishes with less bending.
- With extra height for taller dishes, and customisable internal shelving
 - Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry options

DIMENSIONS

Height	478mm
Width	599mm
Depth	573mm

FEATURES & BENEFITS

- Ease Of Use**
DishDrawer™ Dishwashers are easy to open and close and can be positioned at bench height for effortless loading and minimal bending. Flexible racking allows you to make adjustments to fit in all kinds of dishes.
- Quick, Sanitize And Extra Dry Options**
The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is

perfect for plastic dishes.

- Quiet Performer**
Running at a very low decibel rate, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.
- Beauty Of Choice**
As much a design component as a high performance appliance, the black DishDrawer™ Dishwasher brings a touch of sophistication to your kitchen, on its own or part of a matching kitchen appliance set.

The product dimensions and specifications in this page apply to the specific product and model. Under our policy of continuous improvement, these dimensions and specifications may change at any time. You should therefore check with Fisher & Paykel's Customer Care Centre to ensure this page correctly describes the model currently available. Fisher & Paykel Appliances Ltd 2020

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
