

# 30cm Series 9 1 Burner Gas Cooktop, Natural Gas

Minimal

Powerful single wok burner. Compatible with our series of modular cooktops, it allows for customisable configurations to suit any kitchen design.

- Perfect for a compact cooking area with one dual flame wok burner
- Mix and match with our modular induction cooktops for a custom kitchen setup
- Independently controlled via a manual dial for flexible cooking options
- Flexible installation with options for both flush and raised to complement your benchtop design

## DIMENSIONS

|        |        |
|--------|--------|
| Height | 126 mm |
| Width  | 300 mm |
| Depth  | 530 mm |

## FEATURES & BENEFITS

### Modular Design Freedom

Achieve complete design freedom with our range of modular cooktops. Seamlessly integrate cooktops of various sizes into your cooking space, tailoring the setup to suit your patterns of use. This design flexibility allows you to optimise space and flow, creating a kitchen that perfectly aligns with the way you live, cook and entertain.

### Precise Control

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

### Easy Cleaning

Cleaning and care of these cooktops is easy with sealed burners and a single sheet cooking surface. After each use, simply remove the trivets and wipe down the glass.

### Quality Materials

Featuring cast iron trivets, anodised metal dials, and high-temperature resistant ceramic glass, our cooktops are built with the finest materials for optimal performance.

### Safe & Sound

The flame failure safety device automatically turns off the gas if the flame is extinguished.

### Crafted for Durability

Our cooktops are built with glass edges that are chip-tested to resist damage from pots and pans, ensuring lasting quality.

## SPECIFICATIONS

### Accessories (included)

|                        |   |
|------------------------|---|
| High power wok cooking | • |
| Joining bracket        | 1 |
| Wok stand              | 1 |

### Burner ratings

|                          |         |
|--------------------------|---------|
| Wok burner (natural gas) | 4.75 kW |
|--------------------------|---------|
