

Gas Rangetop, 36", Griddle, LPG

Series 9 | professional

Stainless Steel | LPG

A powerful six burner rangetop with professional styling and the additional cooking flexibility of a stainless steel griddle.

- Your burners can deliver anything from a high 19,000 BTU heat per burner for fast boiling, to a gentle flame for simmering
- The stainless steel griddle is great for cooking anything from pancakes to bacon, grilled cheese to quesadillas

DIMENSIONS

Height	8 ⁵ / ₁₆ "
Width	35 ⁷ / ₈ "
Depth	28 "

FEATURES & BENEFITS

Perfect heat

Sealed Dual Flow Burners™ deliver rangetop power up to 23,500 BTU (NG models) for seriously fast boiling right down to a precise 140°F full surface simmer with the gentlest of flames.

Precise control

From the highest to the lowest temperatures you get total control with halo-illuminated rangetop dials. A precise full surface simmer is delivered across all burners.

Cooking flexibility

The continuous surface grates are designed for pots and pans to move safely across the rangetop. Heavyweight stainless steel griddles can be set to desired temperatures and then maintained evenly across the entire griddle surface.

Easy cleaning

These rangetops have sealed burners and a single sheet cooking surface which, combined with a commercial-style stainless steel finish and dishwasher-safe grates, allow easy cleaning.

Information at a glance

LED halo control dials provide information at a glance and assist in alerting you if any burners are accidentally left on.

Complementary Design

Built to last with distinctive, bold styling, this rangetop is designed to match the Fisher & Paykel Professional style family of appliances.
