

Series 9, Integrated Double DishDrawer Dishwasher

Integrated

Integrating into your kitchen design seamlessly, each drawer fits a half load that you can load and wash independently.

- Knock to pause function is perfect if you miss a dish
- Six wash programs, as well as additional Quick wash, Sanitise and Extra Dry options
- Flexible racking can be folded down to fit bigger dishes
- Customise with your own front panel and handle to match your kitchen cabinetry, or choose our stainless steel panel

DIMENSIONS

Height	820 - 880 mm
Width	599 mm
Depth	553 mm

FEATURES & BENEFITS

SEAMLESS INTEGRATION

Slide your DishDrawer™ Dishwasher into an existing kitchen space or integrate into kitchen cabinetry, for a seamless look whilst delivering superior dish care.

Ease Of Use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers, making loading dishes simple. Flexible racking allows you to make adjustments to fit in a variety of dishes.

Independent Wash

With the ability to use both drawers independently and select different wash programs the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

TRUE HALF LOAD

Each drawer holds a true half load for guilt-free small washes and fast turnaround of your dishes. Both drawers operate independently so different wash cycles can run simultaneously to accommodate a variety of loads.

Quick, Sanitise And Extra Dry Options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitise option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for plastic dishes.

KNOCK TO PAUSE

These DishDrawer™ Dishwashers have a knock to pause function. A knock on the front panel will pause the dishwasher which can be re-started again by using the start/play button.

QUIET PERFORMER

Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

SPECIFICATIONS

Accessories (included)

Cutlery basket	•
Kickstrip	true
Knife clip and multipurpose clip	•

Accessories (sold separately)

Door panel black stainless steel	ADDD60DPB

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.
