

8kg Series 3 Front Loader Washer

This front loader has a cycle for all kinds of fabrics, including a Quick wash for clean laundry in under an hour.

- Nine wash cycles including Heavy, Delicate and Easy Iron
- To save time, Vortex Wash helps deliver a 30 minute Quick cycle without compromising fabric care
- 4.5-star water and 4-star energy rating

DIMENSIONS

Height	850 mm
Width	600 mm
Depth	590 mm

FEATURES & BENEFITS

Nine Fabric Care Cycles

Featuring nine specially developed wash cycles to care for your clothes, this machine has a cycle to suit every load type, from Heavy to Delicate.

Easy To Use

This washing machine features an intuitive control panel, where you can easily select your preferred cycle and wash boost options, which include Rinse+ and Pre Wash.

A Smarter, Quieter Motor

SmartDrive™ Technology is a gentle, quiet, and efficient combination of smart electronics and a direct drive motor that senses the load to deliver better fabric care.

Quick Cycles

When time is short, you can select a quick 30 minute wash without compromising cleaning and fabric care. Vortex Wash allows most cycles to take less than one hour to complete.

Saves Water And Energy

With a 4.5 star water rating and 4 star energy rating, our 8kg washing machine handles large loads while keeping water and power usage to a minimum.

Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.
