 - Door water dispenser and internal ice maker

DIMENSIONS

Height	1790mm
Width	900mm
Depth	695mm

FEATURES & BENEFITS

- ActiveSmart™ Foodcare**
ActiveSmart™ Foodcare learns how you live. It's the technology that understands how you use your refrigerator and adjusts the temperature, airflow and humidity inside to help keep food fresher for longer.
- Clever energy**
Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means it uses the energy it needs without compromising on food care.

- Easy To Clean**
No more dirty marks with our EZKleen feature for stainless steel fridges. Anti-fingerprint coating means you simply wipe clean any finger marks. Spill-safe secure glass shelves easily capture any drips or leaks.
- Humidity control**
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.
- Design quality**
Our refrigerators are designed and built using the best quality materials. We use real stainless steel, and solid glass for the interior shelving.
- Ice maker**
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or, during busy times, boost ice production by up to 30%.
- Simple storage**
This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.
