FEATURES	BENEFITS
Seamless Integration	The Built-in series minimizes gaps through heavy-duty inline hinges and adjustable doors enabling minimal gaps to create consistent lines throughout your kitchen. The series fits flush with cabinetry to reduce disruption and deliver design freedom.
Sized to Suit	The spacious 36" French Door refrigerator is designed for family life, with double doors for easy access to uninterrupted refrigerator space.
Fresher Food for Longer	ActiveSmart™ technology helps keep your food fresher for longer by constantly monitoring how you use your refrigerator and adapting to maintain a controlled environment and optimum temperature.
Easy Cleaning	Removable, spill-safe cantilevered glass shelves are designed to contain drips and spills that can be simply wiped away, while leaving the interior walls completely smooth and easy to clean. Storage bins and EZkleen stainless steel doors just need a wipe to keep spotless.
Flexible Living	These refrigerators adapt to suit your lifestyle by streamlining food preparation and organization with SmartTouch controls, flexible shelving and storage options, and slide out bins and trays. The water filter is easily accessible for quick cleaning or replacement. LED lighting in all compartments lights up all the shelves, bins and trays.
Efficient	These ActiveSmart™ refrigerators intelligently adapt to daily use to help save energy, cooling and defrosting only when they need to without compromising on food care.
